Randall Garrison, MP – Esquimalt Juan de Fuca, on May 19, presented 30 Queen Elizabeth II Diamond Jubilee Medals to recipients who live in Esquimalt/Juan de Fuca and have made significant contributions to their community and Canada.

“These 30 individuals have dedicated much of their life to make the community of Greater Victoria and Canada a better place,” said Garrison. “I am proud to present these Medals on behalf of the Queen in recognition of her 60 years as Queen,” he continued.

The Queen’s Diamond Jubilee Medal was created to celebrate Her Majesty’s accession to the Throne 60 years ago. This commemorative medal is a tangible and lasting way to pay tribute to Canadians whose achievements have benefited their fellow citizens, Victoria and Canada. It provides an opportunity to look back and recognize those who make Canada what it is today, and to look forward and recognize youth who are actively involved in our country’s future.

The medal recipients were recommended to Member of Parliament Randall Garrison by a small committee of community volunteers. Over 50 nominations were received after a March advertising campaign to inform the community of the medals.

Recipients at Sooke Ceremony:

Chief Russell Chips, Beecher Bay First Nation,

Chief Marvin McClurg, Pacheedaht First Nation,

Chief Gordon Planes, T'Souke First Nation,

Chelsea Kuzman, Port Renfrew volunteer Fire Chief at age 20. Leads by example and is respected and admired for her leadership and skills as Chief. Youth.
