Obituaries

SCOTT, Evelyn Mary
1934 - 2018

It is with great sadness that we announce the peaceful passing on December 28, 2018 of our beloved wife, mother, grandmother, and great-grandmother Evelyn Mary Scott.

She leaves behind her husband Angus M. Scott and her children Jennifer Erwin (Keith Todd) and Rebecca Scott (Douglas Knopp); her grandchildren Kelly Pade (Charles Vorseleers) and Sara McAlpine (Jason McAlpine). She will be fondly remembered by her great-grandchildren Kayla, Kristy, Katrina, Ilyson, Myra and Logan and her two four-footed pals Baron and Maddie. Fond remembrances will be shared by family in Great Britain including Betty, Michael, Heather, Andrew, Robert and many nieces and nephews.

Mum was reflective and peaceful during her last few weeks saying she had lived a full life. She had lived on three continents and travelled to numerous countries. She was a voracious reader, an avid list-writer and queen of the "Thank You Card". Mum was always dressed impeccably, she never had a hair out of place and took every opportunity big or small to "wear a hat".

Evelyn went to boarding school at the Loreto Convent in Darjeeling, India where she lived and studied with twelve other young girls. Mum was a loyal friend and remained in contact with her childhood classmates throughout her whole life. She will be joining her lifelong friend Valerie who passed away just two months ago. Mum had many other friends and spent many happy hours with Jan, Sue, and Gwen in Ontario.

We will all cherish in our hearts - her wisdom, wit, strength of character and grace. The best way we can honour Evelyn is to live life to the fullest and learn something new before 9:00am each morning.

STEWART, Edith Winnifred
(nee Martin)
May 29, 1918 - January 2, 2019

Born in Assam, India and immigrated to Canada in 1929 with her family (siblings Dick, Jack, Peter, Nancy, Muriel, Gwen and Connie). Passed peacefully in her sleep in Victoria, at the age of 100 years. Married in 1945 to Geoffrey James Stewart, she was predeceased by her loving husband of 65 years in 2010. She is survived by her children Jim (Bev), Dianne (Wayne Butterfield), Roy (Jenny), and Reg (Sonia Santarossa); 9 grandchildren and 17 great grandchildren; her older sister Nancy Linnell, and sister-in-law Helen Cooper. Edie grew up in Victoria and completed her graduation at Victoria High School after which she enlisted and served with the Women's Royal Canadian Naval Service (Wrens) until her marriage. She was a devoted homemaker, aspiring to elevate the level of holistic good health of all family members. In many ways she was ahead of her time with her passion for organic gardening and produce, homemade bread and baked goods. She was an avid composter, developed her own recycling and conservation methods and was actively involved in the successful campaign against the fluoridation of the City of Victoria's tap water many decades ago. She loved to take long walks, ride her bike, swim laps in the pool, and soak in the seaweed with her beloved sister, Gwennie when the families vacationed at Kye Bay Beach in the late 1950s and 60s. Geoff and Edie travelled to England, Scotland, Australia, Fiji, across Canada and the Northern United States and Alaska. Hawaii was a favorite destination for many years for family gatherings. In 1976 Edie and Geoff began wintering in Rancho Mirage, CA. They were greatly compatible and thoroughly enjoyed their life, interests, and activities together, along with family members in the sunshine. Now they are together again, forever. Lovingly missed and always remembered. The family would like to extend special thanks to Edie's caregivers, especially Diana, and to the nursing staff at Hospice.

A Memorial Service will be held in the Sequoia Centre at McCall Gardens, 4665 Falaise Drive, on Saturday, January 5th, 2019 at 1:00 pm. Light refreshments will be served following the memorial service. In lieu of flowers, a donation to Victoria Hospice in Edie's name would be welcome.

SMART, Adaea
November 29, 2012 - January 1, 2019

Peacefully, our sweet, strong, and beautiful little girl, surrounded by her brother Alden, and Dada, passed away in her Mama's arms at the BC Children's Hospital. On November 29, 2012, Aaron and Liberty received their greatest gift of all; being parents to the most special little girl. She brought a sense of purpose to our lives which made every minute of every day better.

From an early age, Adaea was drawn to the water, beginning with her baths at home and as she grew older, swims at the Oak Bay Recreation Centre. If there was water around, she would swim in it. Her favourite places to swim included the Marina Beach in Oak Bay (yes, cold salt water), Lake Joseph in Muskoka, where Liberty has a family cottage and Weston Lake, on Salt Spring Island. During her time at BC Children's, it was swimming she missed most.

Born into a family of dancers (thank you Gran Gran), Adaea loved to dress up and dance to any music playing. She participated in many dance classes but freestyle dance at home with her brother was her favourite.

Enjoying nearby parks and play spaces with Alden were a daily routine of hers (after a daily morning olive bun visit from Tom of course). Adaea very determinedly mastered the monkey bars at a young age.

Adaea started Kindergarten at St Patrick's School in September 2017 and enjoyed every minute of her time there. Her school career was cut short when on December 19, 2017, Adaea was diagnosed with Acute Myeloid Leukaemia (AML). Adaea spent the majority of the following year as an inpatient receiving 7 rounds of chemotherapy. Following her first four rounds, Adaea was declared in remission and we were able to come home for almost three months.

We had a wonderful summer, embracing every moment, with a highlight trip to Camp Goodtimes, where Adaea and Alden swam and experienced new opportunities with other families going through similar journeys. In August 2018 Adaea relapsed with AML and we spent the remaining months at Children's Hospital. On November 29, 2018, her birthday, she received a Bone Marrow Transplant. Although she never swam again, her time in hospital was happy. She handled all the medication with such strength and bravery and never let it get her down. She never complained and touched the hearts of so many nurses, doctors, child life specialists, and volunteers. She was sassy and sweet and woke up each day wanting to play. The 8th floor became our home and we all developed friendships with the incredible team of support.

We are forever grateful to everyone at Children's Hospital and Ronald McDonald for making our time in Vancouver as good as it possibly could be, given the circumstances. We would like to send a heartfelt thank you to our amazing community of Oak Bay and Victoria for the endless support of our family.

Adaea is survived by her brother, Alden, Mama, Liberty, and Dada, Aaron. Her Uncle Barney, Aunt Buffy, and cousins, Tavin, Tate, and Kyla. Her Uncle Rainbow, Aunt Sarah, and cousins, Zayden, Auley Mae, and Laurelle. Her Uncle Oliver, Uncle Drew, Uncle Corey, and Auntie Jett. Her Auntie Leah, Uncle Paul, and cousins, Colton and Blake. Her grandparents Tom and Jojo, Steve and Julie and her great-grandmother Joan Randall, Adaea's middle namesake.

Adaea was strong and graceful in life and in her battle with AML but the disease was bigger than her. She will always be in our hearts and we will miss her every day.

A Service will be held in the Sequoia Centre at McCall Gardens, 4665 Falaise Drive, on Sunday, January 13, 2019, at 1:30 pm. Tributes, if desired can be made in Adaea's name to the charity Balding for Dollars or Ronald McDonald House Charity, two charities that provided opportunities and a home away from home for Adaea and her family.

WHITTLE, Kathleen (Kay) Mildred
July 2, 1920 to December 22, 2018

Our much loved Mum, Nana, Great-Grandma and Great-Great Grandma passed away peacefully surrounded by her family. Born in Victoria to Percy and Alice Knott, Kathleen spent her whole life in the Victoria area. Predeceased by her parents and her sister Margaret and long-term partner Ian. She leaves two daughters Judith (Jerry), Lynn (Barrie), eight grandchildren, 14 great-grandchildren, one great-great granddaughter, and one nephew as well as many extended family.

For Kathleen, her family came first throughout her entire life. Kathleen had many close friendships from childhood with whom she maintained close ties. Even the children of her friends remained close to her over the years. Kathleen worked in the Victoria Public Health office and became a cataloguer at the University of Victoria, where she met Ian. When retired, she and Ian enjoyed traveling and gardening. In retirement, Kathleen volunteered at the Royal Jubilee Hospital and the Saint John the Divine church food bank into her 90's. Kathleen made many close friends while volunteering, and had many friends in the condo where she lived.

Kathleen's "Nanisms" and poetry quotes will remain a fond memory to everyone. The family wants to thank the staff at Saanich Peninsula Extended Care and The Lodge at Broadmead, who went above and beyond to support Mum and the family in her final days.

No service by request. A private celebration will take place at a later date. If desired, donations can be made to the Burnside Gorge Community Association or the Victoria branch of the SPCA.
